Multiple Pro

PLEASE READ ENTIRE LABEL AND MATERIAL SAFETY DATA SHEET BEFORE USE.

Multiple Pro is a highly concentrated suspension formulation containing; magnesium, manganese, copper, zinc and nitrogen. This blend has been developed for the prevention and correction of nutrient deficiencies in cereals and other crops.

HSNO CLASSIFICATION: 6.1E, 6.4A, 6.9B, 9.1A, 9.3C

QUALIFICATION REQUIREMENTS: Persons mixing, loading, applying, or otherwise handling Multiple Pro must meet qualification requirements set out in the EPA Hazardous Substances (Hazardous Property Controls) Notice 2017.

TOXIC: May be harmful if swallowed. Causes serious eye irritation. May cause damage to organs. May cause damage to organs through prolonged or repeated exposure.

FIRST AID: IF exposed or concerned: Call a POISON CENTER/doctor/physician/first aider. For advice contact the National Poisons Centre 0800 POISON (0800 764 766). IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention. IF INHALED: Call a POISON CENTER/doctor/physician/first aider. Remove person to fresh air and keep comfortable for breathing. Take off contaminated clothing and wash it before reuse.

PERSONAL PROTECTION: Wear protective gloves/protective clothing/eye protection/face protection. Do not eat, drink or smoke while using this product.

ECOTOXIC: Very toxic to aquatic life with long lasting effects. Avoid contamination of any water supply with product or empty container. Harmful to terrestrial vertebrates.

STORAGE: Protect from frost, store above 5°C. Store locked up. Store in original container, tightly closed and in a dry, cool area away from foodstuffs.

DISPOSAL: Triple rinse empty container placing rinse water in the spray tank. If recycling, discard cap and deliver clean container to an Agrecovery depot or crush and bury in an approved landfill. Dispose of product only by using according to this label, or at an approved landfill or disposal facility.

SPILLAGE: Wear appropriate protective clothing. Exclude all bystanders from the vicinity of the spill, and prevent material from entering waterways. Contain liquid spills and absorb with inert material and place in waste containers. Wash area with water and absorb with further inert material. Dispose of waste safely in an approved landfill.

SAFETY DATA SHEET: Additional information is listed in the Safety Data Sheet available from **Lonza NZ Limited** or **www.lonza.co.nz**

Approved pursuant to the HSNO Act 1996.

Fertilisers (Subsidiary Hazard) Group Standard HSR002571.

See **www.epa.govt.nz** for controls.

USE RATES AND TIMINGS:

Cereals:

Apply 1 litre in 200 litres of water/ha. Repeat if deficiency is severe.

Do not apply in less than 200 litres of water/ha.

Multiple Pro can be applied to crops whenever deficiency is observed or expected, or as a routine maintenance treatment. Applications may commence after the three-leaf stage in cereals, and in other crops when sufficient foliage has developed to absorb the spray.

Autumn sown crops will benefit from an application before the onset of winter.

Best results will be obtained when Multiple Pro is applied during the early morning or evening when moisture is present in the plant. Do not apply in extremes of temperature, very bright sunlight or when the crop is under drought or other stress.

The addition of Guard 2000 at 0.1% of water volume to improve spray retention and rainfastness.

MIXING AND APPLICATION: Shake the container well before opening and use. Half fill the spray tank with clean water, begin agitation and add the required quantity of Multiple Pro. Add the rest of the water and apply without delay.

COMPATIBILITY: Multiple Pro is compatible with many spray applied agricultural chemicals. Consult your supplier for the latest information.

NOTICE TO BUYER: The manufacturer and vendors of Multiple Pro warrant the formulation to contain the specified active ingredients within accepted tolerance but make no warranty of any kind on the uses of material and accept no responsibility, whether the material is used in accordance with the label directions or not.
