DIRECTIONS FOR USE

It is an offence to use this product on animals.
It is an offence for users of this product to cause residues exceeding the relevant MRL in the Food Notice: Maximum Residue Levels for Agricultural Compounds.

AREA OF USE	RATE	DIRECTIONS
GLASSHOUSES	100 - 200 ml/10 litres of water	Spray to run off and leave for 24 hours. For big problem areas: wash 24 hours after first spray and reapply. Repeat where necessary.
PATIO AREAS, PATHS & DRIVEWAYS: concrete, asphalt, & cobblestones	200 ml/10 litres of water	For heavy infestation clean off after 48 hours and reapply. Repeat if necessary.
POTTED ORNAMENTALS	100 - 150 ml/10 litres of water	Spray media/soil in pot, ensuring good coverage of liverwort and moss. Where spray contacts foliage, irrigate within 30 minutes of application to wash spray from foliage.
SANITISER	75 ml/10 litres of water	Use as a wash or spray as required.
SHADE CLOTH, WINDBREAK, SYNTHETIC TURF, WEEDMAT	150 ml/10 litres of water	Spay on area to be treated.
TURF: fine turf & cotula	250 - 500 ml/10 litres of water or 2 - 5 litres/100 litres/1000m2	Ensure the area to be treated is thoroughly wet first. Use higher rate where severe moss infestations are present. Best results will be achieved under warm active growth conditions.
Vegetable & fruit boxes. Patio conainers, earthenware & ornatments	100 ml/10 litres of water	Remove excess dirt and dip in a solution for 30 minutes, remove and allow to dry.

MIXING: Yield will foam on application and agitation. When mixing add Yield after filling the spray tank with the appropriate amount of water.
METHOD OF APPLICATION: Apply ensuring the treated area is thoroughly wet. CAUTION: Do not apply to soft seedlings or lower order plants such as ferns. Drought stressed plants may also be adversely affected. When applying to growing plants test a small sample to ensure that treatment will not be harmful. The foliage of some plants may be damaged if contacted with the spray.

NOTICE TO BUYER: The manufacturers and vendors of Yield warrant the formulation to contain the specified active ingredients within accepted tolerance but make no warranty of any kind on the uses of material and accept no responsibility, whether the material be used in accordance with the directions or not.
